

Treat Bag Instructions

1. Type in your text in the fields. If you don't want any text just delete the example text.
2. Print the bag on paper.
2. Score on all the dotted lines.
3. Cut out the outline of the bag and the notches at the bottom.
4. Fold the bag around itself along all the scored lines.
5. Glue the flap to the inside of the opposite side.
6. Fold the bottom flaps and secure with glue or tape.

You can fold back the top of the bag, punch 2 holes and string a ribbon, or just staple or tape.
