How to trim an 8 1/2" x 11" print to 8"x10" for framing:

The print is centered on the paper. So to cut down to 8"x10" you must trim each edge.

First trim the top and bottom edge by .5", then trim the right and left edges by .25" each like so:

SHOUT *for* JOY
to the LORD, all the earth.

Worship the LORD with gladness;

come before Him with
JOYFUL SONGS.

Know that the LORD is God.

It is He who made us, and we are His; we are His people,
the sheep of His pasture.

Enter His gates with
THANKSGIVING
and His courts with praise;

give THANKS to Him
and praise His name.

For the LORD is good
and His *love* endures forever;

His *faithfulness* continues through all generations.
